BY REGIONAL COACH

Interurban coaches

("KTEL" buses)

are by far the most convenient way to travel around Greece, as well as for intra-regional travelling. There is frequent bus service from Athens Liossion Station to Volos about 15 times a day, as well as from Thessaloniki bus terminal "Makedonia" to Volos about 10 times a day. Interurban Bus Terminal is opposite to "Volos info center" near the City Hall, the Railway Station and the Port, on a major hub.

BY TRAIN

Trains (OSE) (<http://www.ose.gr/>)

connects directly Volos with Athens once per day, with Thessaloniki twice per day, and with Larissa 15 times a day.

OTHER

Port of Volos provides links to the islands, mostly the Sporades, as well as to some destinations in Pilio.

Volos is the first city in Europe to feature Seaplane Services through Argo Airways, which is based in Volos. The seaplanes connect Volos with Skiathos, Skopelos, Allonisos, Athens and Thessaloniki.
